 "I cant believe I failed my midterms" Thought Releena as she walked toward her next class .Unfortunetly reading and walking is not one of her many talents .The next thing she knew she was on the floor .Plus another unfortunate was she bumped into the one person who threatend to kill her more times that she would like to admit ."Oh! Im so sorry I didn't mean to bump into you like that " Releena kept muttering excuses .To bad for her the person she bumped into really didn't care .

 Releena a few moments later got up and dusted herself off she looked toward Heero the person she bumped into .What she saw was a not very happy looking Heero .Looking towards Releena , Heero gave her his pattented death glare and the whole crowd that gathered around dissapeared all to quickly .As soon as he saw that Releena got up he walked away .
